Notice of Chapter 13 Bankruptcy Case

12/17

For the debtors listed above, a case has been filed under chapter 13 of the Bankruptcy Code. An order for relief has been entered.

This notice has important information about the case for creditors, debtors, and trustees, including information about the meeting of creditors and deadlines. Read both pages carefully.

The filing of the case imposed an automatic stay against most collection activities. This means that creditors generally may not take action to collect debts from the debtors, the debtors' property, and certain codebtors. For example, while the stay is in effect, creditors cannot sue, garnish wages, assert a deficiency, repossess property, or otherwise try to collect from the debtors. Creditors cannot demand repayment from debtors by mail, phone, or otherwise. Creditors who violate the stay can be required to pay actual and punitive damages and attorney's fees. Under certain circumstances, the stay may be limited to 30 days or not exist at all, although debtors can ask the court to extend or impose a stay.

Confirmation of a chapter 13 plan may result in a discharge. Creditors who assert that the debtors are not entitled to a discharge under 11 U.S.C. § 1328(f) must file a motion objecting to discharge in the bankruptcy clerk's office within the deadline specified in this notice. Creditors who want to have their debt excepted from discharge may be required to file a complaint in the bankruptcy clerk's office by the same deadline. (See line 13 below for more information.)

To protect your rights, consult an attorney. All documents filed in the case may be inspected at the bankruptcy clerk's office at the address listed below or through PACER (Public Access to Court Electronic Records at www.pacer.gov).

The staff of the bankruptcy clerk's office cannot give legal advice.

To help creditors correctly identify debtors, debtors submit full Social Security or Individual Taxpayer Identification Numbers, which may appear on a version of this notice. However, the full numbers must not appear on any document filed with the court.

Do not file this notice with any proof of claim or other filing in the case. Do not include more than the last four digits of a Social Security or Individual Taxpayer Identification Number in any document, including attachments, that you file with the court.

Confirmation of a chapter 13 plan may result in a discharge of debts, which may include all or part of a debt. However, unless the court orders otherwise, the debts will not be discharged until all payments under the plan are made. A discharge means that creditors may never try to collect the debt from the debtors personally except as provided in the plan. If you want to have a particular debt excepted from discharge under 11 U.S.C. § 523(a)(2) or (4), you must file a complaint and pay the filing fee in the bankruptcy clerk's office by the deadline. If you believe that the debtors are not entitled to a discharge of any of their debts under 11 U.S.C. § 1328(f), you must file a motion. The bankruptcy clerk's office must receive the objection by the deadline to object to exemptions in line 8.
